ABOUT ME

Multidisciplinary Creative Lead with 10+ years in graphic design, branding and art direction across European and global markets. I lead cross-functional creative teams and shape the creative for brands such as Samsung, MediaMarkt, Randstad and Movistar, from branding and campaigns to motion, illustration and content design. Specialised in scaling creative operations with AI-driven tools while keeping everything consistent and on-brand.

EXPERIENCE

ACCENTURE Jan 2019 - Present

CREATIVE LEAD / CREATIVE OPERATIONS MANAGER - Jun 2025 to Present

- Own the creative direction and design decisions for a leading global brand across 28 European markets and 34 languages.
- Main creative point of contact for the client, presenting work and aligning on direction.
- Run creative operations end to end: workflow optimisation, planning, resourcing and cross-team coordination for on-time delivery.
- Led the integration of AI tools (Synthesia, Adobe Firefly, among others), speeding up workflows and scaling output by 40-50%.
- Lead a project team of 7 motion and graphic designers, and hold people-management responsibilities at Accenture for other colleagues, including development and hiring.

SENIOR VISUAL DESIGNER / CREATIVE LEAD - Dec 2022 to Jun 2025

- Directed visual identity, campaign assets and video for global clients across digital platforms.
- Drove the early adoption of AI and automation, speeding up delivery and improving consistency.
- Led localisation and adaptation of assets for multilingual European markets.

MEDIA & GRAPHICS DESIGN ANALYST - Jan 2019 to Dec 2022

- Designed digital and print assets (web, social, illustrations, icons and interactive graphics) aligned with brand guidelines, managed in Adobe Experience Manager (AEM), with A/B testing to improve campaign performance.

MEGAMUSIC Oct 2017 - Jul 2018

GRAPHIC DESIGN & DIGITAL MARKETING

- Created photo edits, banners and social media assets that boosted brand visibility.
- Shaped marketing strategies using data analytics and campaign performance.

FREELANCE 2013 - 2016

GRAPHIC DESIGN

- Delivered custom branding, web and digital content design for SMEs and agencies, helping improve their brand presence and visibility.
